YOUR COVERAGE

Premier 1 Gold offers excellent benefits and coverage both in and out of Bupa's provider network, giving you complete freedom of choice when deciding which hospital, clinic, or specialist to use.

This plan offers you comprehensive services and generous benefits for both in-patient and out-patient benefits. It also provides the possibility of choosing between coverage in Latin America only or worldwide coverage. There is an annual insurance sum of US\$1.5 million. Please see the Glossary for definition of Latin America.

SUPPLEMENTARY OPTION - WORLDWIDE TRAVEL OPTIONS

With a Premier 1 Gold plan your medical expenses are covered on travels within Latin America, but by taking out an Worldwide Travel Options plan you are covered worldwide and get extra travel benefits; for example, next of kin companion and repatriation if relatives at home get seriously, acutely ill. Furthermore, there is no deductible on Worldwide Travel Options; your travel claims count towards the annual deductible on a Premier 1 Gold. If you take out Worldwide Travel Options in addition to a Premier 1 Gold you will receive a discounted rate on the travel plan.

The Policy conditions for Worldwide Travel Options are described in a separate brochure.

CHOICE OF DEDUCTIBLE

We offer a range of annual deductible options to help you reduce the price you pay for your coverage - the higher the deductible, the lower the premium. You can choose between the following deductibles:

Deductible US\$					
250	500	1,000	2,000	5,000	10,000

There is only one deductible per person per policy year and this applies to all services. However, to help you reduce your costs, as a family you will only have to pay the sum of the two highest deductibles on your policy.

CHILDREN

When a parent is eligible for maternity coverage, a newborn child is automatically enrolled in the parent's policy regardless of the child's state of health at birth (please see Art. 8.2 h). Two children under the age of ten are insured free of charge.

LIFETIME COVERAGE

You can be insured regardless of most conditions that you may have suffered from before taking out the insurance. Bupa's medical consultants will conduct an assessment of your condition and decide the terms of your insurance policy. There may be an additional premium or exclusion for a given condition. In very rare cases a previous medical history may result in your application being rejected.

People of all nationalities under the age of 75 years can apply. Once accepted, we guarantee that the policy can be renewed for the rest of your life - regardless of your age and changes in your health. Even if you develop a long-term chronic illness, your coverage will remain unchanged.

OCCUPATIONS AND ACTIVITIES

Whatever your work involves or wherever it may take you, you will be covered. There are no restrictions on hobbies or sports of any kind, even if conducted on a professional level.

YOUR REIMBURSEMENT

Reimbursement of costs incurred will be paid in accordance with the Table of benefits when the annual deductible has been met. In the event that a hospitalization takes place in the United States of America, co-insurance will be deducted from the reimbursement.

Please note that all reimbursements are paid in accordance with the Usual, Customary, and Reasonable (UCR) fees for the specific service. UCR is the maximum amount the company will consider eligible for payment, adjusted for a specific region or geographical area.

WAITING PERIOD

In the event of an acute and, serious illness or injury, the coverage will start immediately from the policy commencement date. For other conditions, there will be a waiting period of 4 weeks, with the following exceptions:

If you switch to Bupa from another international health insurance plan with another company, the coverage will come into force immediately on the policy commencement date.

The waiting period in connection with pregnancy and childbirth is 10 months.

CO-INSURANCE

Co-insurance is the part of the medical bills that you must pay for each hospitalization that takes place in the United States of America. Once the deductible and the specific reimbursement rates have been applied, Bupa will reimburse 80% of the first US\$5,000 and 100% of the remaining balance. This means that the maximum co-insurance you would have to pay for each hospitalization in the United States of America is US\$1,000. There will be no co-insurance in connection with medical bills for maternity and serious accidents.

DAY-CASE AND IN-PATIENT/HOSPITALIZATION TREATMENT IN AND OUT OF NETWORK

Please let us know of any admission to the hospital as soon as possible so that we can arrange for direct settlement of your bills and leave you to concentrate on getting better. When you contact us, please let us know:

- Date of admission
- Diagnosis
- Treatment
- Expected date of discharge

Expenses in connection with the notification of a hospital admission will be refunded by Bupa (for example, your call to USA Medical Services from another country).

You can freely choose to receive treatment in any hospital or clinic. Day-case and in-patient/hospitalization treatment outside the United States of America will be reimbursed in full after any applicable deductible. If the treatment takes place in the United States of America within Bupa's network of providers, all day-case and in-patient/hospitalization benefits (after any deductible and co-insurance) will also be reimbursed in full. Please note that it is required that you contact USA Medical Services for pre-approval of any treatment within Bupa's network of providers for reimbursement to be paid in full. In case of an emergency, if you are not reasonably able to contact us for pre-approval you must let us know of any admission to a network hospital within 72 hours.

If the provider of your choice in the United States of America is not part of Bupa's network of providers, the out-of-network limits in the valid Table of benefits will apply.

We have a quality assured network of providers including more than 400,000 hospitals, clinics, and medical practitioners. This means that you can rest assured that you will receive the very best treatment within Bupa's network of providers, and most of your expenses can be settled directly with your medical facility. You can get further information regarding Bupa's network of providers by contacting USA Medical Services or visiting www.bupasalud.com.

OTHER TREATMENT

You are also free to choose any provider for out-patient treatment, such as medical consultations and physiotherapy. These expenses should be paid by the insured before claiming reimbursement.

To claim reimbursement for expenses for out-patient treatment, please submit:

- Official, original and itemized bills and receipts
- A completed claim form

Upon receipt of the completed claim form, we will process your claim and reimburse you in U.S. dollars (US\$).

MEDICAL EVACUATION

Regardless of the circumstances, you must inform us before the transportation takes place, either directly or through the treating physician. Medical evacuation services must be pre-approved and arranged by USA Medical Services. In consultation with the treating physician, our medical consultants will choose an alternative place of treatment. We will take care of every detail to ensure that the transportation and the hospitalization are managed as efficiently as possible.

TABLE OF BENEFITS

Bills received in currencies other than U.S. dollars (US\$) will be processed in accordance with the exchange rate determined on the date of service at the insurer's discretion. Additionally, the insurer reserves the right to issue the payment or reimbursement in the currency in which the service or treatment was invoiced.

- 9.2** Written proof of claim must be submitted to the company immediately and at the latest within 180 (one hundred eighty) days of the insured event for which the claim is brought.
- 9.2.1** Complaints regarding the company's claims handling shall be filed not later than 30 (thirty) days after receipt of the amount of reimbursement.
- 9.3** The company shall be notified immediately of any stays in hospital, and such notification must include the physician's diagnosis. All notifications should be made by telephone, fax or e-mail; the company shall defray all expenses incurred in this regard.

ART. 10 COVERAGE BY THIRD PARTIES

- 10.6** The insurer has a right of subrogation or reimbursement from or on behalf of an insured to whom it has paid any claims, if such insured has recovered all or part of such payments from a third party. Furthermore, the insurer has the right to proceed at its own expense in the name of the insured, against third parties who may be responsible for causing a claim under this policy, or who may be responsible for providing indemnity of benefits for any claim under this policy.

ART. 11 PAYMENT OF PREMIUM

- 11.1** Premiums are determined by the company and shall be payable in advance. The company adjusts the premiums once a year as from the anniversary date on the basis of changes in the coverage and/or the loss experience in the insurance class during the previous calendar year.

- 11.5** There are 10 (ten) days of grace on each premium due date.

The waiver applies only to the spouse or partner and their children under the age of 24 (twenty-four) who remain insured under the existing policy and will automatically terminate in the event of marriage of the remaining spouse or partner. The waiver does not apply to any supplementary insurance.
- 11.8** The policyholder's attention is drawn to Art. 6.5 regarding payment of outstanding amounts.
- 11.9** Depending on your country of residency and type of policy purchased, you may be subject to applicable taxes or other charges which may be collected and included as part of your total invoiced premium.

The company must also be notified in the event of the death of the policyholder or an insured. The company shall not be liable for the consequences if the policyholder and/or the insured fail to notify the company of such events.
- 12.2** The insured shall also be under the obligation to provide the company with all obtainable information required for the company's handling of the insured's claims against the company.
- 12.3** In addition, the company is entitled to seek information about the insured's state of health and to contact any hospital, physician, etc. who is treating or has been treating the insured for physical or mental illnesses or disorders. Furthermore, the company is entitled to obtain any medical records or other written reports and statements concerning the insured's state of health.

- 13.2.1** The insurance can be cancelled by the policyholder as from the anniversary date with 3 (three) month's written notice. The insurance shall be effective for 12 (twelve) months as a minimum.
- 13.3** Where upon taking out the insurance or subsequently, the policyholder and/or the insured has fraudulently changed original documents or disclosed incorrect information or withheld facts which may be regarded as being of importance to the company, the insurance contract shall be void and shall not be binding on the company.
- 13.4** Where upon taking out the insurance or subsequently, the policyholder and/or the insured has disclosed incorrect information, the insurance contract shall be void, and the company shall not be liable if the company would not have accepted the insurance if the correct information had been disclosed. If the company would have accepted the insurance but on other terms, the company shall be liable to the extent to which the company would have undertaken the obligations in accordance with the agreed premium.
- 13.4.1** In the event that the insurance contract is considered void, according to Art. 13.3 or Art. 13.4, the company shall be entitled to a service charge which is set as a specified percentage of the premium paid.
